

LET IT HOLD
© 2008 Rebecca Roubion

If I tried to let you go

I don't think that things would be much different

If I tried to let you know

All these fears and doubts and ideas in my head

Let it hold

Don't let it go astray

Let it be tomorrow

Let it be today (2x)

(Instrumental Interlude)

Chorus

Take my heart, take my soul

Have what I have, have what I hold
